INNOVATION

to ensure success for your clients.

Toshiba invests over 6% of its annual revenue on research and development. We offer business solutions and programs to improve your customers' productivity and increase profits.

TOSHIBA SOFTWARE AND DEVICE MANAGEMENT

Toshiba understands the multifunction product is just the beginning. That's why we leverage our leading innovation technology with software and programs that help you Increase efficiency and reduce waste. Toshiba offers numerous integrated software solutions that address print, document, device and output management and workflow solutions.

GET MORE

as a Toshiba dealer.

Toshiba does more for your customers, and more for your business.

Award-winning products. Award-winning support. Backed by an award-winning global reputation. As a Toshiba Dealer, that's what you'll get. So if you're considering offering customers more by expanding your product line to include some of the most innovative and reliable technology in the industry, consider, Toshiba. We provide more of what you and your customers want and need. And That translates to more profit on the bottom line.

EXCEPTIONAL SUPPORT to help your business grow and succeed.

Education, Development and Technical Support

Learn the way you want with our interactive eLearning site created exclusively for our dealer partners. Simply login on, choose a course and begin learning. Print your certificate when completed. Your technicians can further develop themselves by attending our instructor lead hands-on courses offered at three campuses across the country. Benefit from our customer centric philosophy of total customer service support and satisfaction.

OPG Online

Our dealer portal provides instant access to sales and service training, product specs, tech support, competitive information and service updates. Download the latest drivers and operation manuals, review technical bulletins and access sales materials anywhere, any time.
