**Disclaimer and Limitation of Liability:**  
Dyes and pigments change over time and therefore TOSHIBA MAKES NO REPRESENTATION OR WARRANTY OF ANY KIND CONCERNING SHIFTS IN COLOR OR FADING IN THE PRINTED OUTPUT, AND NO OTHER WARRANTY, EXPRESS OR IMPLIED, AS TO THE MERCHANTABILITY, FITNESS FOR ANY PARTICULAR PURPOSE, CONDITION, OR ANY OTHER MATTERS WITH RESPECT TO THE PAPER PRODUCTS. Toshiba shall not be liable for any incidental or consequential damages from the paper products. Under no circumstances shall Toshiba's liability in aggregate to Buyer for breach of contract or warranty, or commission of any tort, including negligence and strict liability, or indemnity, exceed the invoice price for the involved paper products. Toshiba will not be liable for special, consequential, indirect, or incidental damages, and Buyer assumes the risk of these damages, regardless of whether the damages are based upon Toshiba's breach of contract or warranty, or commission of any tort, including negligence or strict liability, indemnity, or any other legal theory.

\*Applies to most oils, most chemicals.

Made in Japan.

## AquaAce is Water-Resistant, Fade-Resistant, and Rip-Resistant

Print directly on this revolutionary new laser paper for the look and feel of a laminated sheet. Produce magnificent two-sided color prints that are extremely durable. AquaAce prints resist water, smudging, and fading—even in harsh weather and direct sunlight.

This remarkably silky, bright white, glossy paper has a variety of useful applications that allow you to save time and money by printing in-house.
