

Toshiba Barcode Consumables

The Perfect Solution

Toshiba thermal barcode consumables diverse product offering is the perfect solution for your business-critical labeling applications. From ribbons to labels, RFID tags to cleaning products, we have a solution for you.

Toshiba Ribbons

Toshiba Tec Canada Business Solutions Inc. offers a full line of thermal barcode printer ribbons in numerous sizes, colours and ink formulations for a wide range of applications. Each of our ribbon grades has been rigorously tested and approved for all Toshiba thermal barcode printers. With over 25 years in the barcode business you can be certain that you are getting the best ribbon for your application.

- Tested and approved for use in all Toshiba thermal barcode printers
- Competitive pricing and fast ordering process
- Hundreds of sizes and formulations
- Special back coating extends printhead life

Aftermarket Ribbons

A full line of non-Toshiba branded ribbons are also available for thermal transfer printers. Just like Toshiba ribbons, our non-Toshiba branded ribbons are tested - you can rest assured that you are getting the highest quality product for your thermal barcode printer.

- Most common sizes and formulations in stock
- Highest quality product for crispest image
- Low prices and fast turnaround time
- Low minimum orders

Stock Media

We offer a variety of standard and fraction size paper labels for Toshiba and non-Toshiba thermal barcode printers.

- Large selection of paper labels
- Half and quarter width lengths available
- Fits all Toshiba thermal barcode printers and most non Toshiba printers
- Rigorously tested and approved

Custom Media

We work with several vendors to get you the lowest price and highest quality custom product. From RFID and synthetic material to freezer grade and high heat, we can do it all.

- Multiple vendor quotes for lowest price
- Vast range of custom face stocks available
- Quick quote turnaround (24-48 hours)
- Test material available before placing an order

Cleaning Product

Toshiba offers easy to use cleaning pens. Using cleaning pens will lead to less label waste, longer printer life and lower maintenance costs.

- Extend the life of your machine
- Cut down on costly repairs and down time
- Preserve print quality and eliminate unscannable barcodes
